COMPANY PROFILE

Fair Services & Consultancy

Protecting Rights. Delivering Justice.

Legal counsel, litigation and brand protection
Lahore, Pakistan | Established 2012

THE FIRM

Practical counsel. Committed representation.

Fair Services & Consultancy (FSC) is a Lahore-based law firm serving businesses, individuals and families across Pakistan. Established in 2012, the firm brings together legal advice, dispute resolution and operational support to protect clients' rights and interests.

Our practice has a particular focus on intellectual property and brand protection, supported by services in civil, criminal, family, corporate, taxation and employment matters. We combine careful legal analysis with an understanding of the commercial and personal issues behind each instruction.

Our mission

To provide clear, responsive legal services that protect rights, resolve disputes and help clients make informed decisions.

Our approach

Integrity, confidentiality and transparent communication guide each engagement, from the first assessment to ongoing legal support.

CORE CAPABILITY

Intellectual property & brand protection

Integrated support for rights owners, brand teams and businesses operating in Pakistan.

01 Protect and register

Trademark and copyright registration support, advice on IP rights, portfolio protection and infringement risk.

02 Investigate and monitor

Market surveillance, infringement detection, anti-counterfeiting investigations, grey-market evaluation and ongoing monitoring.

03 Coordinate enforcement

Legal preparation and coordination with competent authorities for anti-counterfeiting actions, supported by evidence and case documentation.

04 Represent and follow through

IP litigation, dispute resolution and legal support following enforcement activity, with reporting aligned to the client's requirements.

From initial intelligence to legal action, FSC connects field findings with a considered enforcement strategy.

LEGAL SERVICES

A broad practice. A focused strategy.

Civil & property

Declarations, injunctions, possession and partition disputes, damages, title due diligence, conveyancing, leases and property documentation.

Criminal litigation

Pre-arrest and post-arrest bail, trial representation, appeals and advice on criminal proceedings, including narcotics and other special-law matters.

Family & personal

Divorce and khula, maintenance, child custody, guardianship and related family disputes, handled with discretion and care.

Corporate & commercial

Business agreements, company matters, commercial disputes, regulatory compliance and legal support for business decisions.

Taxation & customs

Tax compliance advice, tax disputes, representation before relevant forums and support on customs and excise matters.

Public & employment law

Constitutional and administrative matters, employment contracts, workplace disputes, service matters and labour-law compliance.

BUSINESS SUPPORT

Insight before action. Clarity through disputes.

Corporate investigations & due diligence

FSC supports clients assessing business partners, proposed transactions and commercial risks. Work may include company and public-record reviews, litigation searches, market analysis and risk assessment, according to the agreed scope.

Background screening

Verification support can include identity, education and employment checks, with other record checks where lawfully available and relevant to the assignment.

Litigation & dispute resolution

We assess the facts, available evidence and practical options at the outset. Our services include legal notices, pleadings, courtroom representation, negotiations, mediation and arbitration support, as appropriate to the dispute.

A clear engagement process

Understand the brief / Assess the evidence / Agree the strategy
Execute the work / Report and review
